

# GREENMOSS MEDICAL CENTRE

## FLU VACCINATIONS 2020

We are commencing our flu clinics on Saturday 3<sup>rd</sup> October 2020 and will initially be vaccinating patients over the age of 65 years and those under 65 that are classed as being at clinical risk.

### To make an appointment:

Please ring reception between 1pm and 4pm to make an appointment 01270 376800, this will be for a flu vaccination ONLY

### On the day of your appointment:

**PLEASE DO NOT ATTEND IF YOU HAVE ANY SYMPTOMS**

eg high temperature, cough, loss of sense of smell or taste.

Please **DO NOT** arrive early for your appointment as we will not be able to see you until your allotted time.

You will be asked to leave and return at your appointment time.

There will be a strict distancing policy in place.

Queuing will be outside the building.

You must wear a **face covering** unless exempt.

You will need to use hand sanitiser as you enter the building.

We will need to get to your **upper arm/shoulder** so please wear an appropriate top (sleeveless if possible); please bear this in mind when dressing.

### Once you are with the clinician:

Please do not touch any surface, or bring something with you that you will need to put down.

You will not be able to sit down (unless medically you are required to).

You will be asked to leave by a side door so that you do not have to go back through the waiting room.

Please leave the carpark as soon as possible to ensure social distancing is maintained.

Thank you for understanding that we are doing this to keep both patients and staff as safe as possible.
